Ultragrade Performance oil

Our ULTRAGRADE Performance oils are refined for extreme purity and offer :

- Low vapour pressure, even at high temperatures

- Resilience to the stresses of mechanical pumping

Ultragrade 15

Low viscosity general purpose lubricant. Suitable for small pumps or cold start applications.

Edwards Pumps : E2M0.7, E2M1.5

Other Pump Types : Busch Zebra, Rietschle V-CGAVGC, Leybold S, Pfeiffer Uno Line

Per liter

CHF 25.-

Code : H11026015

Per 4 liters

CHF 65.-

Code : H11026013

Ultragrade 19

Most popular oil for rotary vane pumps. Excellent lubrication and vapour pressure characteristics.

Edwards Pumps : E2M18, E2M28, RV3, RV5, RV8, RV12

Other Pump Types : Alcatel Adixen C1, Busch R5 <40m3/hr, Rietschle V Series <40m3 hr, Leybold Trivac, Pfeiffer DUO Line, Kinney KVA12-40

Per 1 liter

CHF 25.-

Code : H11025015

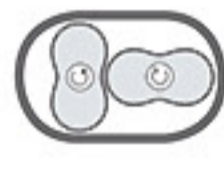

Per 12x1 liter

CHF 240.-

Code : H11025012

Ultragrade 20

Higher viscosity oil with good vapour pressure. Good alternative to general purpose vacuum oil.

Edwards Pumps : EH Boosters

Other Pump Types : Busch Panda/Puma, Busch R5 >100m3/hr, Rietschle R Series Boosters, Leybold RUVAC Series, Pfeiffer Okta Line, Kinney KMBD Boosters

Per 4x4 liters

CHF 240.-

Code : H11024011

Per 205 liters

CHF 2100.-

Code : H11024010

Ultragrade 70

Medium/high viscosity oil. Stable performance at higher stresses and temperatures

Edwards Pumps : E2M40, E2M80, E2M175, E2M275

Other Pump Types : Busch R5 <40m3/hr, Rietschle V Series RV pumps, Leybold Sogevac <40m3 /hr, Pfeiffer Hena Line, Kinney KVA 63-630
